

## **DUEL SCALE THERMOMETER**

### **BE 152**

Direct-reading, all-metal dial thermometers for general use include °F and °C scales. Units have bi-metal element that actuates pointer over graduated dial. Stainless steel stem is 8" long x 0.15" (203 x 4mm). Dial face is 1-3/4" (45mm) dia. External adjustment allows recalibration.

### **FOLLOWING STANDARD**

ASTM D217, ASTM C403
